ABOUT THE CONFERENCE

Welcome to the 3rd International Conference on Management Growth in Emerging Economies (ICMGEE-2026), scheduled to be held on 17th-18th May 2026 in the vibrant city of Singapore, Singapore. This prestigious conference is organized by IASTEM, in academic partnership with IRAJ International. With the theme “Reimagining Sustainability: Digital Innovation, Business Transformation, and Social Impact,” ICMGEE-2026 brings together leading scholars, researchers, industry experts, and policymakers from around the world. The conference serves as a dynamic platform to examine the evolving challenges, emerging trends, and transformative opportunities shaping the growth trajectories of emerging economies.

PURPOSE OF ICMGEE-2026

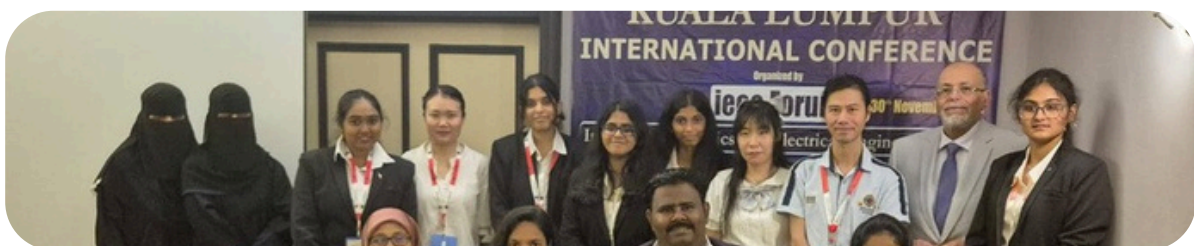

The 3rd International Conference on Management Growth in Emerging Economies (ICMGEE-2026), to be held on December 17th-18th May 2026 in Singapore, Singapore, is envisioned as a global platform for collaboration and knowledge exchange. The purpose of this conference is to unite academicians, researchers, policymakers, and industry practitioners to deliberate on the critical issues shaping the future of emerging economies. Guided by the theme “Reimagining Sustainability: Digital Innovation, Business Transformation, and Social Impact,” ICMGEE-2026 seeks to encourage multidisciplinary dialogue across economics, management, technology, and sustainability.
